TRICK-OR-TREAT FOR UNICEF

Trick-or-Treat for UNICEF began 68 years ago as a way to help kids still affected by World War II. Since then, millions of children across the United States have gone door to door on Halloween with UNICEF collection boxes, calling out, "Trick-or-Treat for UNICEF!" The annual tradition of Kids Helping Kids® — involving donations big and small — has helped to raise nearly \$177 million since 1950.

Make Halloween for UNICEF Ghoulishly Good

Trick-or-Treat for UNICEF is a great way to not only have fun during Halloween, but to save lives. **Know the five dos to make this Halloween especially spook-tacular!**

1 **DO explain where donations will go.** How will they actually help kids around the world?

2 **DO share the history of Trick-or-Treat for UNICEF.** How did the campaign start? Tell the story!

3 **DO describe the impact of the campaign.** How much has

been raised? Share the hair-raising successes!

4 **DO emphasize that no donation is too small.**

Every cent contributes to a boo-tiful cause!

5 **DO have a fang-tastic time.** Being scary-good has never been so fun! ●

Solve This!

● If 52 neighbors donated \$2 each, what could that donation be used for? See how many different combinations you can come up with.

● If a group of 18 students collects just enough to buy two School-in-a-Boxes, what is the average amount of money each student collected?

What Your Donations Can Buy:

\$8 A UNICEF kit to give 1 family clean water to drink.

\$15 A box of 5 mosquito nets to protect kids from deadly malaria.

\$55 1 box of therapeutic food (150 packets) to save a malnourished child.

\$210 A School-in-a-Box to help 40 refugee kids learn and heal.

What your donations can buy:

50¢

can provide 1 packet of ready-to-use therapeutic food to help save a malnourished child

\$2

can provide 10 bars of soap to keep kids clean and healthy

\$5

can provide 1 UNICEF backpack for a child to go to school

\$7

can provide 1 volleyball for kids to play and learn teamwork
